Jackie:

I just left you a voice mail - perhaps we can talk today still...

After today I'm taking some vacation and won't be back until Monday sept 17.

Let me know if you are free at all this afternoon.

My call to you is overdue.

Thanks.

Hey Rick, the Tuesday meeting is definitely off. If you would rather talk next week, let me know.

Direct to my desk is 518 402 8165. Do you want to plan on a particular time? I am free at 9, 12, and from 2 on.

Mark Klotz and Jeff Gratz have spoken 2x since your 303d comment letter - the path forward we are hearing from Mark doesn't align with the agenda you provided. We really need to get on the same page before we invest more staff time in these conversations.

Jackie:

I am off tomorrow, but I will plan to call you...

I have a bunch of morning errands to run then driving down to DC.

Can you send me your phone number and let me know if there is any timeframe in the afternoon that is especially bad?

My plan would be to not be in a moving car when I make or take the call.

I very much want to keep our planned meeting on Tuesday 9/4/18 1-3 if at all possible

Thanks.

Hey Rick – this afternoon doesn't work for me – tomorrow I am free in the afternoon – is there a time that works for you then?

Jackie: are you available at 3:10 today to discuss 303d and our upcoming meeting?

I am on a Great Lakes call until 3 and then have another at 3:30 that should go until 4 or 4:15.

Please let me know if 3:10 or 4:15 works for you.

I am thinking just you and I will be on the phone, copying others as an FYI.
